

Attachments for Nissan Forklift

Nissan Forklift Attachments - Nissan prides itself on reaching overall client satisfaction when their buyer is enjoying one of their various trucks, cars or lift trucks. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to providing high value and meticulous quality standards to their customers. Incorporating a fruitful heritage combined with solid production principals, Nissan lift trucks supply many of the best materials handling equipment the industry has to offer.

In order to meet the worldwide wishes of their assorted consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering consumer support, the business has four independent manufacturing facilities that permit them to continually adapt to their customers continually evolving requirements by offering a variety of innovative ideas and designs.

The Nissan Lift truck North and South American foundation is located in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the support, design and manufacture of their products. Working under the ISO-9001 and ISO-14001 certifications, enables each sector of the Nissan Forklift Corporation to maintain environmental accountability by utilizing techniques that minimize the global influence of their goods and processes. These high values remind clients that Nissan operates under the quality seal that their clients command while being an environmentally aware company.

Nissan is quite convinced that any of their customer's queries and customer worries directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, contacting one of their community endorsed dealers or even visiting their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and commitment.
