

Electrical Part for Forklifts

Forklift Electrical Parts - Lift trucks could be particularly labeled to be utilized in unsafe sites. A marked truck indicates the design has met the lowest requirements of ANSI/UL 558 utilized for engine powered trucks or ANSI/UL 583 utilized for electric trucks for the type of label placed.

The application for labels intended for lift trucks could be found in National Fire Protection Association NFPA 505 - Powered Industrial trucks including: Maintenance and Operation, Type Designations, and Areas of Use. Consult your local insurance provider and Fire Marshall for additional info regarding the approved uses of industrial powered lift trucks in your application.

If the forklift has been found to meet the outlined standards, the following labels may be put. A labeled truck will have the model description put on the lift truck nameplate and will have one of the following labels placed.
